```
D                          G          D
Away in a manger no crib for a bed
     A7                         D
The little Lord Jesus laid down His sweet head
                                  G                   D
The stars in the sky looked down where He lay
     G             D       A7                D
The little Lord Jesus asleep on the hay
                                 G           D
The cattle are lowing the Baby awakes
      A7                     D
But little Lord Jesus no crying He makes
                                   G                  D
I love Thee Lord Jesus look down from the sky
      G              D          A7            D
And stay by my cradle till morning is nigh
                                G                D
Be near me Lord Jesus I ask Thee to stay
        A7                       D
Close by me forever and love me I pray
                                   G            D
Bless all the dear children in thy tender care
      G             D            A7                 D
And take us to heaven to live with thee there
