

9 to 5 – by Dolly Parton

Lyrics -

Well, I tumble outta bed and stumble to the kitchen
Pour myself a cup of ambition
Yawn and stretch and try to come to life

Jump in the shower and the blood starts pumping
Out on the street, the traffic starts jumping
With folks like me on the job from 9 to 5

Working 9 to 5, what a way to make a living
Barely getting by, it's all taking and no giving
They just use your mind, and they never give you credit
It's enough to drive you crazy if you let it

Working 5 to 9, you've got passion and a vision
'Cause it's hustlin' time, a whole new way to make a livin'
Gonna change your life, do somethin' that gives it meanin'
With a website that is worthy of your dreamin'

Well you got dreams and you know they matter
Be your own boss, climb your own ladder
That moment's getting closer by the day

And you're in the same boat with a lotta your friends
Launching ideas you all believe in
The tide's gonna turn, and it's all gonna roll your way

Working 5 to 9, making something of your own now
And it feels so fine to build a business from your know-how
Gonna move ahead, and there's nothing that you can't do
When you listen to that little voice inside you

Yeah, 5 to 9 you've got passion and a vision
'Cause it's hustlin' time, a whole new way to make a livin'
Gonna change your life, do somethin' that gives it meanin'
With a website that is worthy of your dreaming

5 to 9, you keep working, working, working
Working 5 to 9, 'til your dreams, come true
Working 5 to 9, you keep dreaming, dreaming, dreaming
5 to 9, 5 to 9, you can do it
