

"Both Sides Now"

Sung by Emilia Jones from the movie "Coda"

Rows and flocks of angel hair
And ice cream castles in the air
And feather canyons everywhere
I've looked at clouds that way.

But now they only block the sun
They rain and snow on everyone
So many things
I would have done
But clouds got in my way.

I've looked at clouds
From both sides now
From up and down
And still somehow
It's cloud illusions I recall -

I really don't know clouds
At all.

Moons and Junes and Ferris wheels
The dizzy dancing way you feel
As every fairy tale comes real
I've looked at love that way

But now it's just another show
You leave 'em laughing when you go
And if you care,
Don't let them know
Don't give yourself away.

I've looked at love
From both sides now
From give and take
And still somehow
It's love's illusions I recall -

I really don't know love
At all.

Tears and fears and feeling proud
To say "I love you"
Right out loud
Deams and schemes and circus
crowds
I've looked at life that way.

But now old friends are acting
strange
They shake their heads,
They say I've changed.

Well something's lost,
But something's gained,
In living everyday.

I've looked at life
From both sides now
From win and lose
And still somehow
It's life's illusion I recall.

I really don't know life -

I've looked at life
From both sides now
From up and down
And still somehow
It's life's illusion I recall.

I really don't know life
At all.
