C           F           C           Am
How many roads must a man walk down
C           F           C (2)
Before you call him a man?
C                   F           C           Am
Yes, 'n' how many seas must a white dove sail
C           F           G (2)
Before she sleeps in the sand?
        C           F                   C           Am
Yes, 'n' how many times must the cannon balls fly
C               F           C (2)
Before they're forever banned?
```

Chorus:
```
        F               G           C           Am
The answer, my friend, is blowin' in the wind,
        F               G               C
The answer is blowin' in the wind.

C           F           C           Am
How many years can a mountain exist
    C           F               C (2)
Before it's washed to the sea?
C                   F                   C           Am
Yes, 'n' how many years can some people exist
C                   F           G (2)
Before they're allowed to be free?
        C           F               C           Am
Yes, 'n' how many times can a man turn his head,

And pretend he just doesn't see?
```

```
C           F               C           Am

Before he can see the sky?

Yes, 'n' how many ears must one man have
    C           F               G (2)
Before he can hear people cry?
        C               F               C           Am
Yes, 'n' how many deaths will it take till he knows

That too many people have died?
```
