

## The City of God

C                      Dm            G                      C  
Awake from your slumber! Arise from your sleep!

C                      Dm            G                      C  
A new day is dawning, for all those who weep.

C                      Dm                      G                      C  
The people in darkness, have seen a great light.

C                      Dm                      G                      C  
The Lord of our longing, has conquered this night.

F                      G                      C  
Let us build the city of God.

Dm                      G                      C  
May our tears be turned into dancing.

F                      G                      C  
For the Lord, our light and our love,

Dm                      G                      C  
Has turned the night into day.

C                      Dm                      G                      C  
We are sons of the morning, we are daughters of day.

C                      Dm                      G                      C  
The one who has loved us, has brightened our way.

F                      G                      C  
Let us build the city of God.

Dm                      G                      C  
May our tears be turned into dancing.

F                      G                      C  
For the Lord, our light and our love,

Dm                      G                      C    CGC (end)  
Has turned the night into day.
