

# Daddy's Hands

written and recorded by Holly Dunn

C G7  
I remember daddy's hands folded silently in prayer  
Am F C G7  
And reaching out to hold me when I had a nightmare  
C G7  
You could read quite a story in the callous' and lines  
F C G7 C  
Years of work and worry had left their mark behind

G7  
I remember daddy's hands how they held my mama tight  
Am F C G7  
And patted my back for something done right  
C G7  
There are things that I'd forgotten that I loved about the man  
F C G7 C  
But I'll always remember the love in daddy's hands

**Chorus:** F C  
Daddy's hands were soft and kind when I was crying  
Em (Am) Dm G7  
Daddy's hands were hard as steel when I'd done wrong  
C F D7  
Daddy's hands weren't always gentle but I've come to understand  
C G7 C  
There was always love in daddy's hands

G7  
I remember daddy's hands working 'til they bled  
Am F C G7  
Sacrificed unselfishly just to keep us all fed  
C G7  
If I could do things over I'd live my life again  
F C G7 C  
And never take for granted the love in daddy's hands

**Chorus, repeat last line then end**
