

I'll Never Find Another You

(Verse 1) There's a new world somewhere, they call the promised land.

And I'll be there someday if you will hold my hand.

'cause I'll need you there beside me, no matter what I do, for I know

I'll never find another you.

(Verse 2) There is always someone for each of us they say.

And you'll be my someone forever and a day.

I could search the whole world over, until my life is through.

But I know I'll never find another you.

(Chorus)	It's a long long journey, so stay by my side.					
	Em	D7	C	D7	C	D7
	When I walk thro' the storm, you'll be my guide, be my guide.					

(Verse 3) If they gave me a fortune, my pleasure will be small.

I could lose it all tomorrow, and never mind at all.

But if I should lose your love dear, I don't know what I'll do

'cause I know I'll never find another you.
