

## **In My Life (Lennon-McCartney) Sung by Judy Collins**

**There are places I've remembered,  
All my life, though some have changed  
Some forever, not for better,  
Some are gone and some remain.  
All these places had their meaning  
With lovers and friends, I still can recall  
Some are dead and some are living  
In my life, I've loved them all.**

**But of all these friends and lovers  
There is no one compares with you  
And these memories lose their meaning  
When I think of love as something new  
Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life, I love you more**

**Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life, I love you more**
