

IT'S A SMALL WORLD by SHERMAN and SHERMAN

          C                                  G7  
It's a world of laughter, a world of tears;  
          G7                                  Adim C  
It's a world of hopes and a world of fears,  
          C                                  C7                                  F                                  Dm7  
There's so much that we share, that it's time we're a-war  
e  
          G7                                  C  
It's a small world after all. \_\_\_\_\_

CHORUS

C                                  G7                                  G7                                  C  
It's a small world after all, It's a small world after al  
l,  
          C7                                  F                                  Dm7                                  G7                                  C  
It's a small world after all, It's a small, small world.\_  
—

          C                                  G7  
There is just one moon and one golden sun  
          G7                                  A7 C  
And a smile means friendship to ev--ry one.  
          C                                  C7                                  F                                  Dm7  
Though the mountains div-ide and the oceans are wide,  
          G7                                  C  
It's a small world after all. \_\_\_\_\_

(CHORUS - repeated twice)
