M-O-T-H-E-R

Recorded by Eddy Arnold

Written by Theodore Morse and Howard Johnson

```
C                                    Dm    G7
M is for the million things she g-ave me
                                       C  C7
O means only that she's growing old
F                                   C       A7
T is for the tears she shed to save me
D7                                  G7
H is for her heart of purest gold
C                                     G7
E is for her eyes with love-light shining
                                              E7
R means right and right she'll always be
F                                     C    Am
Put them all together they spell moth-er
  F                               G7       C
A word that means the world to me
```
