The height of its contents to see,
I lit a small match to assist her,
O Bring back my Bonnie to me.**

Repeat chorus

Last night as I lay on my bed,
I stuck my feet out of the window,
In the morning the neighbors were dead.**

My father makes synthetic gin,
My sister makes fudge for a quarter,
Wouldja believe how the money rolls in?**

My father, he died from his gin,
My sister choked on her chocolate,
My stars, what a fix I am in.**

I tried making fudge for a living,
Now look at the shape that I'm in.**

Repeat chorus

My Bonnie lies over the sea,
My father lied over my mother,
and that's how I came to be.***
