

Em                            Am D Em  
O come, O come, Emmanuel  
    G                            Am Em  
And ransom captive Israel  
    Am                            G                    D  
That mourns in lonely exile here  
    Em                            Am D                    G  
Until the Son of God appear

    D                            Bm                    Am Em  
Rejoice! Rejoice! Emmanuel  
    G    Am Em  
Shall come to thee O Israel

    Em                            Am D                    Em  
O come, Thou Dayspring, come and cheer  
    G    Am Em  
Our spirits by Thine advent here  
    Am    G                            D  
And drive away the shades of night  
    Em    Am D                            G  
And pierce the clouds and bring us light

    Em                            Am D                    Em  
O come, Desire of nations, bind  
    G    Am Em  
All people in one heart and mind  
    Am    G                            D  
Bid envy strife and quarrels cease  
    Em    Am D                            G  
Fill all the world with heaven's peace
