C                    Em    F                    C  
Puff, the magic dragon lived by the sea  
F                    C            Am            Dm7                    G7  
And frolicked in the autumn mist in a land called Honah Lee  
C                    Em    F                    C  
Little Jackie paper loved that rascal Puff,  
F                    C            Am            F            G7    C            G7  
And brought him strings and sealing wax and other fancy stuff. Oh

### **Chorus:**

**Puff, the magic dragon lived by the sea**  
F                    C            Am            Dm7                    G7

Together they would travel on a boat with billowed sail  
F                    C            Am            Dm7                    G7  
Jackie kept a lookout perched on Puff's gigantic tail,  
C                    Em    F                    C  
Noble kings and princes would bow when e'r they came,  
F                    C            Am            F            G7    C            G7  
Pirate ships would lower their flag when Puff roared out his name. oh!

C                    Em    F                    C  
Dragons live forever but not so little boys  
F                    C            Am            Dm7                    G7  
Painted wings and giant strings make way for other toys.

One sad night it happened, Jackie Paper came no more  
F                    C            Am F                    G7    C            G7
