

She Thinks I Still Care (C)

George Jones

[Verse 1]

C F C
Just because I ask a friend about her,

Just because I spoke her name somewhere,
C C7 F
Just because I rang her number by mistake today,
C G7 C

C F C
Just because I haunt the same old places
C G7 C
Where the memory of her lingers everywhere,

Just because I'm not the happy guy I used to be,
C G7 C
She thinks I still care

[Bridge]

Then let that silly notion bring her cheer

How could she ever be so foolish,
C D7 G7
Oh where would she get such an idea?
