Somewhere Out There

```
          C    Cmaj7  C  F/G     C                        F
(Chorus) Somewhere out there beneath the pale moonlight.
Dm7  G              Em Am     Dm7 C  F      G
Someone's thinking of  me and lov--ing me tonight.
C     Cmaj7  C  F     C                      F          Dm7  G
Somewhere out there someone's saying a prayer that we'll find one
 Em7 Am            Dm7 C    F          C
Ano--ther    in that big somewhere out there.
```

```
          F          G            F          G
(verse 1)  And even though I know how very far apart we are.
  Fmaj7         G              F            G
It helps to think we might be wishing on the same bright star.
   Ab            Bb            Ab          Bb
And when the night wind starts to sing a lonesome lullaby.
  Ab            Bb                         G
It helps to think we're sleeping underneath the same big sky.
```

        (Chorus)

```
         C     Cmaj7  Fmaj9 F     C               F
(verse 2) Somewhere   out    there if love can see us through.
Dm7  G         Em7 Am7              F          G                 C
Then we'll be to-ge-ther    somewhere out there out where dreams come true.
```
