Somewhere out there beneath the pale moonlight

Someone's thinking of me and lov - ing me tonight

That we'll find one an - o - ther in that big somewhere out there

[Verse:]

 D E7 D E7
And even though I know how very far apart we are

 D E7 D E7
It helps to think we might be wishing on the same bright star

Key change

 F G F G
And when the night wind starts to sing a lonesome lullaby

 F G E7
It helps to think we're sleeping underneath the same big sky

[Chorus:]

A D A A D
Somewhere out there if love can see us through

 E7 A F#m D
Then we'll be to - ge - ther somewhere out there

Out where dreams come true.
