Try A Little Kindness
Recorded by Glen Campbell
Written by Bobby Austin and Curt Sapaugh
If you see your brother standing by the road
             G7
With a heavy load from the seeds he's sowed
And if you see your sister falling by the way
Just stop and say you're going the wrong way
           G7
You got to try a little kindness
Yes show a little kindness
                                      G7
Just shine your light for everyone to see
           F
And if you try a little kindness
Then you'll overlook the blindness
   F
                 G7
                                      G7
Of narrow minded people on the narrow minded streets
Don't walk around down and out
               G7
                    F
Lend a helping hand instead of doubt
And the kindness that you show every day
              G7
                 F
Will help someone along their way
Repeat #2
