

Vaya Con Dios

Freddy Fender

[Intro] C-G-D-G

G
Now the hacienda's dark, the town is
D
sleeping;

Now the time has come to part, the
G
time for weeping.

C **G**
Vaya con Dios my darling,
D **G**
Vaya con Dios my love.

G
Now the lonely mission bells are softly
D
ringing,

If you listen with your heart you'll hear
G
them singing,

C **G**
Vaya con Dios my darling,
D **G**
Vaya con Dios my love.

G **C**
Wherever you may be, I'll be beside
you,
G
Although you're many million dreams

C
away.

A
Each night I'll say a pray'r, a pray'r to
D
guide you

A **D**
To hasten ev'ry lonely hour of ev'ry
lonely day.

G
Now the dawn is breaking through a
D
gray tomorrow,

But the memories we share are there
G
to borrow.

C **G**
Vaya con Dios, my darling:
D **G**
Vaya con Dios my love.

Spoken Spanish: G-D-G

C **G**
Vaya con Dios, my darling:
D **G**
Vaya con Dios my love.
