

November 26, 2004

Dear family and friends who attended our November 13 gathering:

Enclosed please find, as a final touch and to thank you for helping to make the Memorial Service on November 13 an unforgettable experience for me, a copy of a card prepared by a friend which has on it the fuller version of the “Deep Peace” theme used for the memorial.

I thought you might like to have this, not only as a memento but to remember Felix and Patrick in your prayers in days ahead.

Thank you so very much for coming to the ceremony. You made it what it was:  
Beautiful.

With love, our thanks – and best wishes for the Holidays to you!
