TELL YOUR FRIENDS about supporting a Maryknoll missionary. \$1 a day is needed for him. He gives his life. Will you go "part way" and back him, if not for the full 30 days, then for 20, 10, 5, or even 1 or 2 days a month,—any number you like? We send a monthly reminder. Try it for a few months! You may discontinue at any time. By sharing in the sacrifice of a missionary, you also share in his works, his prayers, his reward. Help yourself by helping him!

While I can, I will give \$_____ each month towards the \$30 needed monthly to support a missionary.
This is not a pledge, may be discontinued at will, and should not interfere with personal or parish obligations.
